

## DOG-FRIENDLY HOTEL POLICY AND PROCEDURES

- Should your dog go to the bathroom on our grounds, please be prepared to clean up after your dog. Waste disposal stations are provided.
- Any damage by dog to the existing furniture is to be the financial responsibility of the dog owner.
- Please control your dog while you are here, whether by leash, stroller, baby carrier, or handbag.
- Please refrain from putting your dog on the furniture.
- Dogs must be free from fleas or ticks.
- **Beach Wing** : Dogs are not permitted at InterContinental Beach Wing. Dog and owner can access beach via Soi 79, please follow the signage.
- **BluPort Wing** : Dogs are not allowed in the swimming pool, unless accompanied by leash, stroller, baby carrier, or handbag of owner around area of swimming pool.
- During housekeeping service, dog must be crated or under taken care of the owner at all time. They are not allowed to be left unattended in resort or room.
- Dog owner has full responsibility for any liability arising from dog; personal injury in hotel to staff or to other guests.
- As a Dog-Friendly venue, any anti-social behavior from dogs should be controlled, including excessive barking, biting, growling, animalistic intimidation, or being improperly 'toilet-trained', would result in the management insisting that you and the dog in question take a time-out in the gardens or guest room, until all parties are settled, before returning.
- As a dog owner, they are liable for any pet disturbances cause to guest staying next door, the charge up to THB 5,000 may apply. On second incident reported disturbance, hotel may ask for the dog to be removed from property.
